

Assistant Equipment Manager

San Luis Obispo Country Club is a private country club, open all year and nestled in the beautiful Edna Valley among hills and vineyards in San Luis Obispo, California. Honored with the Distinguished Club Award as well as America's Healthiest Club award, we opened in 1957 with just a golf course. We are now the preeminent recreational and social club for the entire family. Our golf course and practice areas are the finest in the area and always in top condition. The Golf Course Maintenance Department has over \$1 million of inventoried equipment (predominantly Toro) designated to provide outstanding playing conditions for 6 different heights of cut across 150-acre golf course. The equipment is operated by 20-person team in a 14,000-sq. ft. maintenance building.

Job Summary:

The Golf Course Maintenance Department at San Luis Obispo Country Club has a full-time position immediately available that will be a stepping stone to becoming the Club's Equipment Manager.

This position is a great opportunity to work with a highly talented and experienced 25-year equipment technician as well as a great opportunity to learn how to manage a fleet and assist the current Equipment Manager. Both the Golf Course Superintendent and the Equipment Manager are very eager to mentor the right individual. If you are an individual that values teamwork, precision and stability from their employment, and wants to live in a beautiful area located in the central coast, this is a great opportunity to grow from within our team.

We are looking for a dedicated, loyal, independent thinking individual who has mechanical aptitude. Golf course or previous experience in repairing turf or related equipment, including small engine and diesel experience preferred but not mandatory.

Responsibilities:

- Master the operation of all equipment and learn the process and understand what the team is trying to achieve with the equipment.
- Assists in conducting a routine preventative maintenance program for all equipment.
- Inspect, troubleshoot and repair any mechanical failures of any equipment used
- Help to ensure all employees are trained and educated on how to operate all equipment
- Prioritize equipment repair and maintenance work, and the need to remain on site until the job/project is complete.

- Assist in purchasing all repair parts and supplies for all equipment within budget
- Assist with keeping records for equipment and parts inventory purchases; record costs of repairs
- Helps to oversee equipment performance; and repair equipment failures in the field
- Helps to oversees the shop area daily
- Have an open line of communication (equipment manager) daily.

Job Qualifications:

- Golf course experience preferred, but not required
- High School Degree or equivalent
- Mechanical aptitude
- Effective communication skills
- Knowledge/ principals of all adjustments and repairs for optimal equipment operation
- Skill in using many tools for repair of all types of mechanical repair of equipment
- Working knowledge of the hazards and safety precautions
- Ability to lift and move up to 50 pounds
- Own your own tools

Benefits:

- Compensation is commensurate with qualifications and experience
- Medical, Vision and Dental Insurance
- Paid Time Off and Sick Pay
- 401(k) Program

Interested candidates are asked to submit a resume and detailed cover letter to Alise Elias, Human Resources Manager via email to HR-Payroll@slocc.net.
